Please note: there will surely be weddings during this time and I will keep you informed when I know of them.

We are also going to begin using a flower chart and accepting donations to help with the cost of the flowers. We would like to keep the cost around \$60 whenever possible. **Please sign the ticket and turn it in to the office in Kay Robert's box or mail it into the office if you are not planning to be at the church. It is important that we do this on a timely basis.**

Thank you for the beautiful arrangements you do to make our services special.
